

At Makerfield Florist our team of qualified designers would be delighted to create any bouquet that you require for your special day. It is no problem for us to recreate bouquets from a picture that you may have, but for the bride who is unsure of what she would like on her wedding day we can help by offering ideas, advice and experience on all floral matters.

Due to the varied flower contents, individuality of each bride and seasonal availability of flowers we do not have a set price list or package.

We believe every bride is individual and deserves a unique bouquet that has been specifically designed for her alone. This enables us to match up other members of the bridal party with complimentary designs, along with church flowers, cake flowers and reception flowers for your venue. Not forgetting your Thank You gifts also.

To ensure that we give each Bride 100% attention and workmanship we only take one wedding booking per day. If you would like us to design your Wedding Flowers, we ask that you reserve the required date by paying a £25.00 Booking Fee (which is non-returnable on the event of cancellation). This allows us to reserve the date exclusively for your wedding.

Brides Bouquet, Bridesmaids Bouquets, Mother of the Bride Corsages etc. will be estimated when you consult a member of staff. It is not our company policy to overprice and therefore would determine prices on seasonal availability and content of flowers required in all your designs. We think this is a fairer system than set prices – and hope that you will too.

For more information or to book your Wedding Flowers with us why not call in, telephone us on 01942 727047, email us at [weddings@makerfieldflorist.co.uk](mailto:weddings@makerfieldflorist.co.uk) to see if your Wedding date is available or look at our website for more design ideas...

We look forward to hearing from you.
